

PE and Sports Grant 2015-16

The government has provided additional funding for 2015 to 2016 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this.

The Milford Academy has decided to use the money to:

- employ Sports coaches to work alongside staff to develop curriculum expertise and improve the quality of our P.E. provision.
- raise the profile of sport and healthy lifestyles across all age groups.
- widen participation in after-school provision particularly our vulnerable pupils.
- improve the gross-motor skills of identified younger children
- develop table-tennis as a specialism in school
- improve resources to support the development of the subject

The impact of the use of the grant will be reviewed at the end of April each year.

Key Features of 2015/16 Sports Action Plan

Grant received - £9,430		
Total number of FT pupils on role	321	
Summary of Grant spending 2015-16		
Objective		
<ul style="list-style-type: none"> To effectively use the Sports Grant to raise the profile and outcomes for children in PE, Sport and physical activity across school 		
Planned spending record 2015-16		
Objective	Activity	Evaluation
To increase high quality PE teaching and learning throughout the whole school team teaching and coaching.	Teachers plan with sports coaches to plan and deliver high quality PE lessons.	Consistently good quality of PE lessons. PE coordinator needs more release time to monitor quality of planning and its impact on standards.
Evaluate Gymnastics planning and assessment scheme.	PE coordinator to measure impact of Gymnastics scheme of work and assessment and consider appropriate scheme across all PE strands	Best Gymnastics performance at Clifton Gymnastics events ever. Assessment methodology to be used in all areas of PE from September 2016.
Increase participation in After-School sport.	Develop the range of After-School Clubs. Increase participation across the age-ranges and increase participation by girls	Number of after-school clubs increased and participation increased, including vulnerable groups. (see attached report).
Improve outcomes for G&T pupils and competitive performance for school teams and individuals.	Enter local and city-wide competitions. Ensure children have access to appropriate sports clubs.	City finals in Sports Hall Athletics. Table tennis champions in the City. Improved performance in Girls football. Boy's football a priority for 2016/2017. Focus on G&T pupils

Total wage investment on school sport
£34200

Key Analysis

High numbers of participation in Key Stage 1
High numbers of Pupil Premium participation
Comparatively poor participation in Year 5 a concern and therefore a priority in 2016-2017

2015 /16 Engagement statistics

Year 1

44 out of 60 children = 73%

23 boys out of 29 = 79%

21 girls out of 31 = 68%

Pupil Premium

15 out of 20 children = 75%

9 girls out of 13 = 69%

6 boys out of 7 = 86%

Year 2

47 out of 52 children = 90%
