

<b>Year Group:</b> 1 and 2	<b>Time Allocation:</b> ½ term	<b>Date:</b> Autumn 1 2020	<b>Staff:</b> Mrs Heiden, Mrs Baggley, Mrs Rowe, Miss Liddle, Miss Weatherall
<p><b>English Year 1</b> - This half term we are developing our handwriting through letter formation. We will be beginning to use simple punctuation such as capital letters, full stops and finger spaces. We work on our ability to listen carefully, comprehend books and retell key aspects of stories through music and movement.</p> <p><b>Year 2</b> - We are developing our sentence writing skills to include coordinating conjunctions and adjectives. We are focussing on understanding how characters thoughts and feelings can change throughout different stories.</p>		<p><b>History</b> We will cover this in Spring 1.</p> <p><b>Geography</b> We will cover this in Autumn 2.</p>	
<p><b>Maths Year 1</b> - This half term we will be recapping counting forwards and backwards within 10 and beyond. We are also checking that we can accurately count objects. Then we will move on to introducing adding numbers together. We will also practise our Number Fluency by learning +1, +0 and +2 sums.</p> <p><b>Year 2</b> - We are developing our number fluency and rapid recall of facts e.g. doubles, 1 more 1 less and different ways of making numbers.</p>		<p>Healthy Body, Healthy Minds</p>	<p><b>Computing</b> <b>Year 1</b> - The children will have some experience of going into the Computer Suite, switching on and logging on ready to use the computers. In class, we are learning about E-Safety.</p> <p><b>Year 2</b> - This half term we will be looking at E-safety. We will learn about how what they do online leaves a trail called a digital footprint. They will look at how to improve the efficiency of their online searches and the types of websites that are best for children to access when looking for information,</p>
<p><b>Science</b> <b>Year 1</b> - We will be exploring different animals' habitats, what they eat and how their bodies work including humans.</p> <p><b>Year 2</b> - Our topic is 'Living things and their Habitats'.we will describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.</p>	<p><b>Why?</b> We will look at why it is important to look after our bodies and minds.</p>	<p><b>Design &amp; Technology</b> In both Year 1 and 2, we will be beginning to learn about where our food comes from and how it is made.</p>	
<p><b>Art &amp; Design Year 1</b> - We will be exploring different methods and resources to design and create art within our independent learning and outdoor space. <b>Year 2</b> - We will be sketching. We are beginning to explore shadows, use different medias and drawing familiar things from different viewpoints.</p>	<p><b>SMSC</b> SMSC Sp4 - reflecting on our experience</p> <p>D&amp;T food - SMSC Sp 3 - imagination and creativity in our learning</p>	<p><b>PSHE Year 1</b> - We are discussing our feelings and describing what makes us feel sad, happy, angry, frightened and calm. We have also introduced SCARF which stands for Safety, Caring, Achievement, Resilience and Friendship. We hope that this will help them make good choices in and out of school.</p> <p><b>Year 2</b> - We will be focussing on families and the people who care for me, being safe and looking at how to express our emotions.</p>	
<p><b>PE Year 1</b> - We will be practising changing independently for PE and organising our belongings. The children will be practising their listening skills as they learn how to play games in a team.</p> <p><b>Year 2</b>- The children will be developing their team skills by playing a variety of games.</p>		<p><b>R.E Year 1</b>- This half term we are learning about the Hindu Festival of Diwali. The children will learn why and how Hindus celebrate this Festival of Light.</p> <p><b>Year 2</b> - We are learning about the Hindu Festival of Navratri and understanding why it is celebrated.</p> <p><b>Music Year 1</b> We are learning about Pitch this half term. We are learning the difference between high and low notes and how they make us feel. <b>Year 2</b> - We are learning about rhythm by responding and moving appropriately to different beats. We are also composing our own original pieces of music on a keyboard using 3-4 notes.</p>
