Dear Parents/Carers

Review of the week

In these challenging times we want to regularly update you on how the children are doing in school, how we will continue to work together to keep Milford safe and let you know about the latest Council advice.

Start and finish times: The Social Distancing is working well at the moment so we can safely move to opening school from MONDAY to 8.45 - 9.05 when the gates will shut and 2.55 - 3.15. Please make a note of these changes as they occur because we want to reduce disruption to the children's learning at the start and end of the day.

Behaviour: The vast majority of children are behaving really well. We will contact you if your child is struggling to have a chat about how we can help to improve this. Improving concentration, following instructions quickly and working independently are skills we are working on.

After School Clubs: Clubs will gradually start up for Year Groups. Please look on the website for details.

Attendance: Too many children have missed and are missing a lot of their education. This will have a negative impact on their future. Coughs and colds are at this time of year but a temperature of 38°+ would be more of a concern if Covid-19 was suspected. However, as a parent you would be the best judge if your child is too poorly to attend school <http://www.milfordacademy.org.uk/governors/covid-19/>. Getting a child a Covid-19 test remains extremely difficult at the moment so we have to work together to do the best we can in challenging circumstances. Please DO NOT leave messages for absent children on the Seesaw app, please ring 9152951 and leave a message as instructed or wait to speak to the Office staff.

Covid-19 information: Do look in the Covid-19 Section of the website for useful information and links to relevant websites.
