### COVID-19 UPDATE

*PLEASE KEEP POORLY CHILDREN AT HOME!*

*IF ANYONE IN YOUR HOUSEHOLD HAS COVID-19 SYMPTOMS, ADULT OR CHILD, KEEP THE CHILDREN AT HOME UNTIL TEST RESULTS HAVE BEEN RECEIVED.*

Dear Parents/Carers

The Covid-19 situation is getting harder not easier at the moment. Hospital admissions are rising. Deaths are rising. We have to try and protect each other and drive the infection rates down. Children who are a little poorly, with coughs and tickles, common at this time of year, might have the virus and they might not but we don't know without test results. We have already sent one year group home and we are trying our best not to send another one home. Please don't blame the school for following Public Health England advice. Please don't blame us for being cautious. We all know vulnerable family members ourselves. Please help us play our part in dealing with this terrible virus and if your child is at home we will send work home via the Seesaw app.

Thank you for your ongoing help and co-operation. We will get through this!

Yours sincerely

*D. Wagner*
