

As a parent, you're the first person to educate your child...

We are offering parents **FREE courses** to upskill your own skills and knowledge to support your children in their learning and development.

From your home we can deliver via Zoom the following courses:

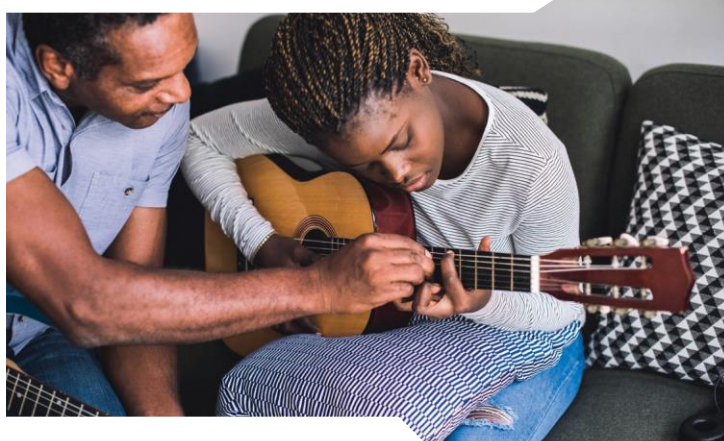

- ◆ **Understanding Maths**
- ◆ **Improving Speech**
- ◆ **English Language**
- ◆ **Improving Phonics**

If you are a parent within Nottingham City and have children aged up to 11 all our courses are free.

All our courses are small online groups.

Each course is over 4 days and only 2.5 hours per session.

Delivered by a fully qualified tutor who is there to help you.
